THE IVY STARRING BHS 1955

**BLACKSTONE HIGH SCHOOL
BLACKSTONE, VIRGINIA**

FOREWORD

The Ivy proudly draws the curtain to present our new production "Blackstone High School, 1955." We introduce our cast, the student body, acting in the scenes of our life together. We ask applause for producers and for our directors who set our stage and teach us our lines. Although our scenes here may be only a rehearsal for our real roles, yet we can realize that here too we may "act well our parts-- therein the honor lies."

for
his friendship and interest which have guided
so many Blackstone boys,
for
his humor that has helped us over difficult
problems,
and for
his leadership which will help to make many
Nottoway fields greener and forests taller
for years to come.

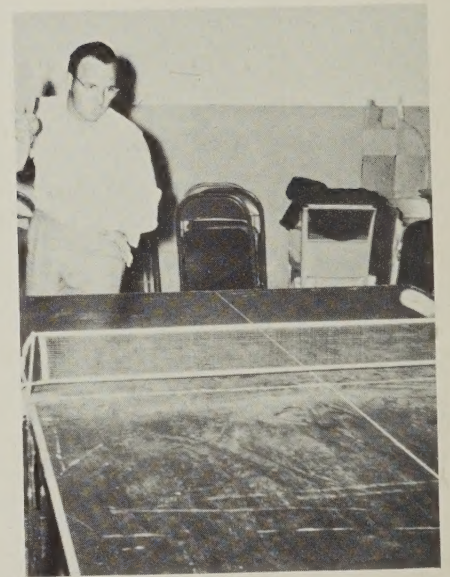

You'll have to hurry to catch that fifth period class.

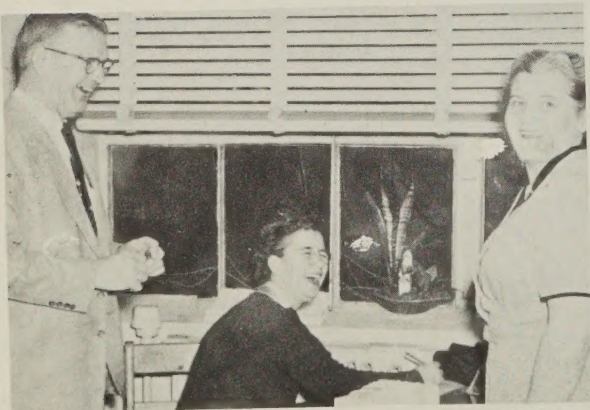

Always a smile

She's the one that gets you into those classes.
